

VOLUNTEERS OF AMERICA DELAWARE VALLEY

VOADV is a non-profit social service agency that has been providing essential services to vulnerable individuals and communities since 1896.

We serve more than 13,000 individuals throughout Southern New Jersey, Philadelphia, and Delaware yearly and operate more than 40 high quality, outcome-driven assistance programs.

Nationally, Volunteers of America is one of the largest and most comprehensive human services agencies in the nation. With affiliates across 46 states, VOA collectively serves more than one million people each year nationally.

EMERGENCY HOUSING

We offer service rich interim housing to clients 24-hours a day, 7-days a week. Our goal is to provide residents with direct, immediate services and referrals to community-based services to set clients on the path to permanent housing.

From intake to discharge, case managers work with residents to assess the contributing factors for their homelessness and provide the necessary services to lead to long term stability.
