

Safe Return

FY25 Report

The Safe Return Program provides reentry assistance and a broad range of essential services for individuals returning to society who are no longer under criminal justice supervision. Safe Return ensures that individuals returning to society from incarceration are given the tools and care they need in order to establish and lead self-fulfilling, independent lives after reintegrating back into society.

Safe Return saw a cut of \$3.4 million in FY26

828 

Total Engaged

85% of those we served through Safe Return reported maxing out of the criminal justice system
